

UINTALANDS ASSOCIATION WATER CONNECTION FORM

We hereby request the Uintalands Association to make the water connection for **Lot # _____ owned by _____**. Accompanying this request form is the required hook up fee of \$3,500.00. We understand that this connection can only be made by the Association or its agent. The fee must be paid to the Business Manager before the connection can be made. We further understand that all work past the Association Valve must be arranged and paid for by the lot owner. This expense is not included in the hook up fee mentioned above. **All work must be inspected by the Association or its agent. (Please contact George Crank at 307-679-4140 to schedule your inspection).** We have a drawing of a typical water connection prepared by the Association and fully understand what is furnished by the Association and what we are expected to furnish. We also understand that no trailer, outbuilding, cabin, etc. will be allowed to be used on any lot where water and a septic system have not been installed. Refer to Section 14, Sewage Disposal, of the Uintalands CC&R's.

Please return this signed form along with your hook up fee to:
